At Cheam Park Farm Primary Academy

GymKidz is pleased to offer your child the opportunity to join our Gymnastics Club. We have been running classes in local Sutton schools for over 12 years and would love to provide your child with an insight to gymnastics.

GymKidz classes are designed to develop physical agility, improve co-ordination, strength, flexibility and balance, all in a fun and safe environment. Whether your child is a total beginner or a keen gymnast, we are sure they will love the classes.

The coaching team are fully trained and hold enhanced DBS checks as well as British Gymnastics coaching/teaching certificates and first aid.
