GYMNASTICS CLUB

At Cheam Common Junior Academy

After a very strange 6 months, GymKidz is pleased to offer your child the opportunity to join our Gymnastics Club at Cheam Common Junior Academy. We have been running classes at Cheam Common Juniors for 12 years and would love to provide your child with an insight to gymnastics.

GymKidz classes are designed to develop physical agility, improve co-ordination, strength, flexibility and balance, all in a fun and safe environment. Whether your child is a total beginner or a keen gymnast, we are sure they will love the classes. Classes are taught throughout the school to boys & girls of all abilities.

Each child has the opportunity to compete in our annual school competition, as well as displays and assemblies throughout the year.

The coaching team are fully trained and hold enhanced DBS checks as well as British Gymnastics coaching/teaching certificates and first aid.
