

Key Steps Gymnastics Competition 2017

On Wednesday 24th April, 2 teams from Cheam Common Junior Academy travelled to Glenthorne High School to compete in this year's Key Steps Gymnastics Competition.

The gymnasts were extremely excited but also nervous, as for some of them this was their first ever competition. However, despite the nerves, everyone performed clean and polished performances

The behaviour and sportsmanship was impeccable from the gymnasts and truly reflected GymKidz values.

Year 3 & 4 Team – 4th place

Year 5 & 6 Team – 2nd place

Congratulations to all involved 😊
